Check in/out of Events – VR App

All Events – Callouts, Trainings, Meetings, Community Service

- Check in when leave home:** *Locate appropriate event – there may be multiples, Example 1 below. Check-in time is noted with check out option available, Example 2.*

Always refresh App **before** checking out or checking in

How?

1. Tap **Dashboard**
2. Tap Event check in/out list
3. Tap Check out or Check in button in your event

For **multi-day** events, check in and out each day you attend

- Check out when arrive home:** *Locate appropriate event. Tapping Check out opens a pop-up window, Example 3. Tap blank field and adjust time, Example 4. Final screen displays check in/out times and duration, Example 5.*
